Attention: Mr. William Hotrum
President

Dear Mr. Hotrum:

On behalf of The Conference Board of Canada, I would like to express our sincere thanks for the sales tax review conducted by HMT Revenue Group.

We have used your company on several occasions in the past and our HMT review auditor continues to do an excellent job. Our HMT auditor is a pleasure to work with and is extremely knowledgeable and helpful to our organization. In short, our HMT auditor is a focused expert who is superb and always professional.

I appreciate HMT's on-going, free access to our auditor to call upon for expertise whenever we need an additional tax resource. I have found this to be of great benefit in helping to answer additional tax related questions, particularly with the many questions that have arisen with the implementation of HST.

I would certainly recommend the services of HMT to any other organization.

Sincerely,

Edward Grasmeyer
Director of Finance
