Dear Mr. Harriman:

On behalf of the Town of Milton, I would like to express our sincere gratitude for the services provided by HMT Revenue Group. Our experience working with HMT Revenue Group while conducting GST, PST and HST tax recovery audit was exemplary. Karen Tosello, the auditor assigned to us was a pleasure to work with as she was quite knowledgeable of the financial requirements of municipal governments and was very helpful in educating Town staff on eligible recoveries. Karen was able to obtain the information required to perform the audit without much disruption to the daily routine of the staff involved.

The final report provided by your organization was very clear and concise. Town staff had no issues interpreting your recommendations. In addition, it was very helpful that HMT Revenue Group submitted the request for reconsideration to Canada Revenue Agency and Ministry of Revenue on our behalf. Karen's comprehensive review resulted with the Town collecting additional recoveries.

Since the Town's review, we have taken advantage of the HMT Tax line and would like to report that we appreciate the thorough and timely response to our queries. We are also quite pleased that Karen will continue to be our contact person.

Overall, the Town of Milton is extremely pleased with the services provided by HMT Revenue Group. We found your organization to be professional and in tune to your customer's needs. We would highly recommend your organization to any of your potential clients.

Sincerely,

Zaneta Kowalik
