National Account Manager

Dear Ann:

On behalf of Canadian Blood Services, I would like to take this opportunity to compliment HMT on the level of service and expertise that has been provided to our agency. We have been delighted by your results and have subsequently invited HMT back on a regular basis.

Over the years, your auditor has demonstrated considerable knowledge and experience of the non-profit sector. As in the past, she continues to conduct a thorough review of our accounts payable files and does so with very little effort from my staff, which is greatly appreciated.

I am always presented with a detailed, final written report of her recoveries which we find to be a valuable resource. Knowing we have the HMT Taxline available to us for future questions is an added benefit which we have taken advantage of in the past and will continue to do so when and as often as the need arises.

I appreciated receiving your follow-up call pertaining to your recent sales tax review. Based on my experience with HMT, I would not hesitate to recommend them to potential customers.

Sincerely,

Linda Dyck
