Revenue Specialist

Dear Ann:

Thank you for your courteous follow-up call pertaining to HMT's recent sales tax review. I would like to express how pleased Five Counties Children's Centre was with the professional service provided once again by HMT.

This was the second review HMT has provided our agency and once again you demonstrated your in-depth knowledge of tax legislation. As in the previous review, there was very little involvement from my staff, which was greatly appreciated. We found that during the process, the HMT auditor was always willing to assist us with any questions that arose. She provided me with detailed working papers pertaining to her findings and submitted the claims to the government for us. The service was extremely thorough and completed in a timely manner and I am pleased to say the whole process was "a great package".

Having the HMT Taxline available to us for future questions is an added benefit of your service.

I would not hesitate to recommend HMT's services to other organizations who are considering a sales tax review.

Sincerely,

Brian Minaker, C.G.A.
